# Education Visits

## Brockholes Nature Reserve

Brockholes is a beautiful 250-acre nature reserve, running alongside the bank of the River Ribble. Based on the site of an old quarry, the area has been transformed into a variety of habitats, including woodlands, lakes and meadows. The reserve offers the perfect place for outdoor learning to inspire young minds and to grow a love for the natural world.

**'Lovely, clear, well thought out workshops that were engaging. A well organised, enriching experience'**

REGULATOR**

The Lancashire Wildlife Trust is a Registered Charity (No. 229325) and a Registered Company Limited by Guarantee (00731548)

Our highly skilled and experienced team of environmental education specialists pride themselves upon providing exciting and innovative programmes that really inspire children about the natural world.

We offer a wide range of fully risk-assessed educational programmes that cater to all ages. All of our programmes suit and complement the goals of the National Curriculum and Early Years Foundation Stage Framework.

## Our workshops include:

Habitats  
Pond Dipping  
Minibeasts

Plants  
Rivers  
Water Cycle  
Seasons

Maps  
Orienteering

Shelter Building  
Fire Lighting  
Stone Age

Sensory Woodland Adventure  
Environmental Art  
Environmental Literacy  
Storybook Themed Adventures

The Education team also run school visits at other LWT sites (Mere Sands Wood, Bolton ERC, The Hive & Lunt Meadows) as well as outreach sessions, Forest School programmes, Forest School training and outdoor learning CPD training for schools/ groups.
