Education Visits

Lunt Meadows Nature Reserve

Lunt Meadows is a wetland nature reserve situated on the banks of the River Alt in North Merseyside. Doubling up as a flood storage reservoir, it is home to a wonderful variety of bird life. It is also a fascinating archaeological site and home to one of just a few surviving Mesolithic settlements, providing an inspiring backdrop to learn about Mesolithic history.

Registered with
**FUNDRAISING
REGULATOR**

The Lancashire Wildlife Trust is a Registered Charity (No. 229325)
and a Registered Company Limited by Guarantee (00731548)

Our highly skilled and experienced team of environmental education specialists pride themselves upon providing exciting and innovative programmes that really inspire children about the natural world.

We offer a wide range of fully risk-assessed educational programmes that cater to all ages. All of our programmes suit and complement the goals of the National Curriculum and Early Years Foundation Stage Framework.

Accurate
representation of
Lunt 9300 years ago
in the Mesolithic Era.

Our workshops include:

**Mesolithic
Stone Age**
