The Kingfisher Trail

The Kingfisher Trail is a 14 mile recreational route which connects the rural West Pennine Moors to the urban communities of Bolton, Bury and Salford. This historic trail is home to a wide range of wildlife species and provides a recreation resource which is important for the region's people, wildlife and heritage.

 - 9 The Atrium Cafe at Ryder's Farm
 - 10 The Parkfield Inn

The trail was originally set up by the Croal-Irwell Valley Ranger Service in the early 1990s to highlight the incredible abundance of wildlife reclaiming a once industrial valley.

Following the disbanding of this service the Trust are re-establishing the trail as a way of focusing attention on this key living landscape which nowadays an army of passionate volunteers and community groups help the local authorities to manage the sites and run a range of events across the valley.

If you think you can help, get in touch by calling us on 01204 663 754.

Help protect local wildlife for the future. Visit www.lancswt.org.uk
