

Learning how to survive in the wild is what our Tribal Survival party is all about!

In the wilds the children will find themselves stranded!
How will they survive?!

They will have to find natural resources to build a den, forage for food, camouflage themselves with their surroundings, and learn how to safely light a campfire!

Eating outdoors under canvas is the best but the party room is available if the weather gets really bad...

This session is packed with a series of fun, adventurous woodland games.

... and there's always time for toasting marshmallows and singing Happy Birthday!

TRIBAL SURVIVAL

*An exciting party of piratey proportions!
The children can channel their inner swashbucklers with
a big seafaring adventure.*

The children can
dress up like a
pirate and take their
place on the crew!

Imagining stormy seas,
they will follow the pirate
treasure map...

Can they read out
the clues in their
best pirate voice?

We'll get them walking,
talking and thinking like
pirates to get them to the
end of the adventure.

Eating outdoors
under canvas is
the best but the
party room is
available if the
weather gets
really bad...

*... and there's always time for toasting marshmallows
and singing Happy Birthday!*

PIRATES!

*Grab your cloak, power up your wand and practice those spells
– this party is pure magic!*

The Hive has lost its magic – can the children recover the things needed to restore the natural balance?

They'll need to prepare certain things to be successful...

Spell ingredients, magic items – they're all out there for the children to find!

Eating outdoors under canvas is the best but the party room is available if the weather gets really bad...

They will learn about different tree wood and stories about their 'magic' abilities.

...and there's always time for toasting marshmallows and singing Happy Birthday!

MAGIC AND FAIRIES

A prehistoric romp through the undergrowth is in store for children who dare to go looking for our dinosaur party!

The return of the 'terrible lizards' means scary times ahead...

The children will work together to follow a trail, look for clues and go on a dino hunt!

Eating outdoors under canvas is the best but the party room is available if the weather gets really bad...

This adventure will explore the wild grassland, woods and muddy ditches of The Hive in search of the monsters of the past!

...and there's always time for toasting marshmallows and singing Happy Birthday!
