information for self-led trail at Heysham Nature Reserve

Our self-led trail will begin at the office next to the car park. Walk up the hill and enter the main reserve through the gate. Following the paths and yellow arrows on the map, see if you can spot the items in the pictures. Tick when you find them and see if you can spot and name anything else along

Please make a note of information regarding ticks on the notice board in the car park and care for the wildlife around you by taking your litter home.

YOU WILL NEED:
Pencil
Board to lean on
Keen pair of eyes
