### ORGANISATIONAL CORONAVIRUS RISK ASSESSMENT

Areas Assessed	All Trust Activities	Assessor	Ben Turpin (SHE Advisor)	Published	11 <sup>th</sup> June 2020 <i>Reviewed 27/10/2020</i>
<b>Statement</b> This risk assessment is designated to inform readers of the general measures LWT will be employing in order to minimize the risk of coronavirus transmission on all sites and during its activities. It is the aim of the Trust to ensure all sites and activities are individually assessed to ensure actions beyond this over-arching risk assessment are considered and implemented where necessary.					
<b>Documentation</b> LWT First Aid and Coronavirus Guidance_V1 LWT Hygiene and Sanitation in the Workplace Guidance_V2 LWT Sanitising Vehicles Guidance_V1 LWT Coronavirus Workplace Risk Assessment Procedure Coronavirus Volunteering Guidance and Risk Assessment Procedure_V5 LWT Conference, Events, School Visits and Venue Hire Coronavirus Guidance_V3 LWT Coronavirus PPE_V2					
<b>Pre-requisites</b> As a minimum standard, the Trust will operate in line with all relevant government law and COVID-secure guidance A Covid-19 team has been established and meet on a regular basis to discuss changes and make decisions Coronavirus Coordinators are located at each Trust Office and are responsible for supporting local staff and dealing with any issues Employees who can conduct their work from home will be encouraged to do so All existing workers will follow new working requirements as outlined by their respective risk assessments and RAMS The term 'Staff' will refer to both paid employees and volunteers This and other risk assessments will be reviewed at frequencies where relatable updates in government guidance are provided					

All staff and visiting public are asked not to come onto Trust sites if they are displaying symptoms of COVID-19

Activity/ Scenario	Virus Transmission	Controls and Procedures
