Visitor Services Assistant **Volunteer Role Description**

About the Lancashire Wildlife Trust

We are part of the Wildlife Trusts movement, the UK's leading conservation charity dedicated to all wildlife. We are your local charity, working hard to improve your local area for wildlife and for you.

The Trust manages over 2,000 acres of some of the region's most precious wild places in the form of 37 nature reserves and 20 Local Nature Reserves. These provide places where wildlife can thrive and people can relax and enjoy the wealth of our natural heritage.

About the opportunity

We are entering a new exciting chapter at Mere Sands Wood, we have just re-built and extended our visitor centre and created what we like to think is the most beautiful little café and shop in the area overlooking a fantastic nature reserve that is popular with locals and tourists. We are now nearing an opening date and we are looking to recruit more wonderful volunteers to join our already well-established team that look after the reserve. Our new volunteers will help us focus on delivering a fantastic experience inside the café, shop and visitor centre for all the visitors that arrive at our nature reserve.

What is a Visitor Services Assistant Volunteer?

As the first point of call for our visitors it's important that you are personable and chatty and not afraid to strike up a conversation – we want all our visitors to get such a fantastic experience they come back again and again.

We need people who are confident handling cash and with full training provided by us will be confident using a touch screen till to take payments. This will form a large part of the role as the money and profit we make from selling items in our shop and café are what help us to maintain our beautiful nature reserves and also deliver the important work we conduct in regards to wildlife conservation.

You will be supported by a Manager and Assistant Manager on site and we will be recruiting a mixture of volunteers to support us in different areas. These will include meeting and greeting visitors, keeping our shop and café well-presented and tidy/organised, working on the tills and helping re-stock shelves and also helping with minor preparation in the café – such as slicing cakes into portions to sell, decanting food stuffs into containers and filling jars of cookies etc.

Later in the year we will also be looking for people to help us bake our own cakes and biscuits on site so this is the ideal way to get your foot in the door if you feel you are a budding Mary Berry or Paul Hollywood.
