

We are grateful that you are considering remembering The Lancashire Wildlife Trust in your will – we know this is a big commitment, reflecting how important the natural world is to you and the value you place on Lancashire Wildlife Trust’s work. Here is our promise to you:

1. Your will is a personal, confidential document expressing your wishes. We would like to reassure you that, at all times, your enquiries and information will be handled with dignity, respect, compassion and privacy.
2. We understand your loved ones will always come first.
3. Making or changing your will is solely your decision. We are happy to provide you with information to make it an informed decision.
4. We’d love to hear from you if you’d like to let us know you have left us a gift in your will, but equally we respect your decision if you prefer not to.
5. If you choose to let us know about your gift we can stay in touch and keep you informed of our plans, events and the work we do.
6. We respect your right, at any time in the future, to change your mind about a gift in your will to Lancashire Wildlife Trust.
7. We assure you that your gift will be used carefully and cost effectively.
8. We’d love to recognise your gift on our website and in our publications to show others what an amazing difference to wildlife you have made. We will only do this with permission.
