

The Wildlife Trust for
**Lancashire
Manchester &
North Merseyside**

Recruitment Pack
2024

About Us

We're one of 47 Wildlife Trusts spread across the UK, the Isle of Man and Alderney.

The Wildlife Trust for Lancashire, Manchester and North Merseyside (LWT) was founded in 1962 by people who knew they needed to take action for nature.

Since then we have grown to be the largest nature conservation body in the area. We are uniquely positioned to lead change in our region, working at a grass roots, local level, whilst also being part of a strong cohesive national movement.

We work to protect wild spaces, and re-introduce key species and habitats, protecting the biodiversity of our area so that nature can recover.

We work in partnership with other organisations, community groups, landowners and key decision-makers to inspire them to work with and for nature.

At LWT we believe that:

- Wildlife has intrinsic value, bringing colour, beauty and wonder to all our lives.
- The natural environment is under immense and growing threat, where we live and across the World.
- We are part of the natural world, and wildlife is relevant to every part of our lives; everything we do has an impact on it, and the natural environment affects our health, our wealth and our state of mind.
- Everyone can make a positive contribution to wildlife and can benefit from it.

Our mission is to:

- Enable wildlife's recovery in our area by working in partnership with others to conserve, restore, create and connect habitats and to increase species abundance; and
- Connect people with nature and help them to take action for wildlife, wherever they are.

Our vision

is that nature is recovering on a grand scale across Lancashire, Manchester and North Merseyside, and in our sea, and that everyone is able to enjoy our increasingly abundant wildlife.

Strategic Goals & Ambition by 2030

1. Nature is in recovery with abundant, diverse wildlife and natural processes creating wilder land and seascapes where people and nature thrive
30% of land and sea is in recovery
2. People are better connected to nature in their lives and more are taking purposeful action for wildlife
1 in 4 people are taking action for nature
3. We have the financial and human resources, systems and skills that we need to improve our impact for nature's recovery
LWT will be bigger, better and more joined up

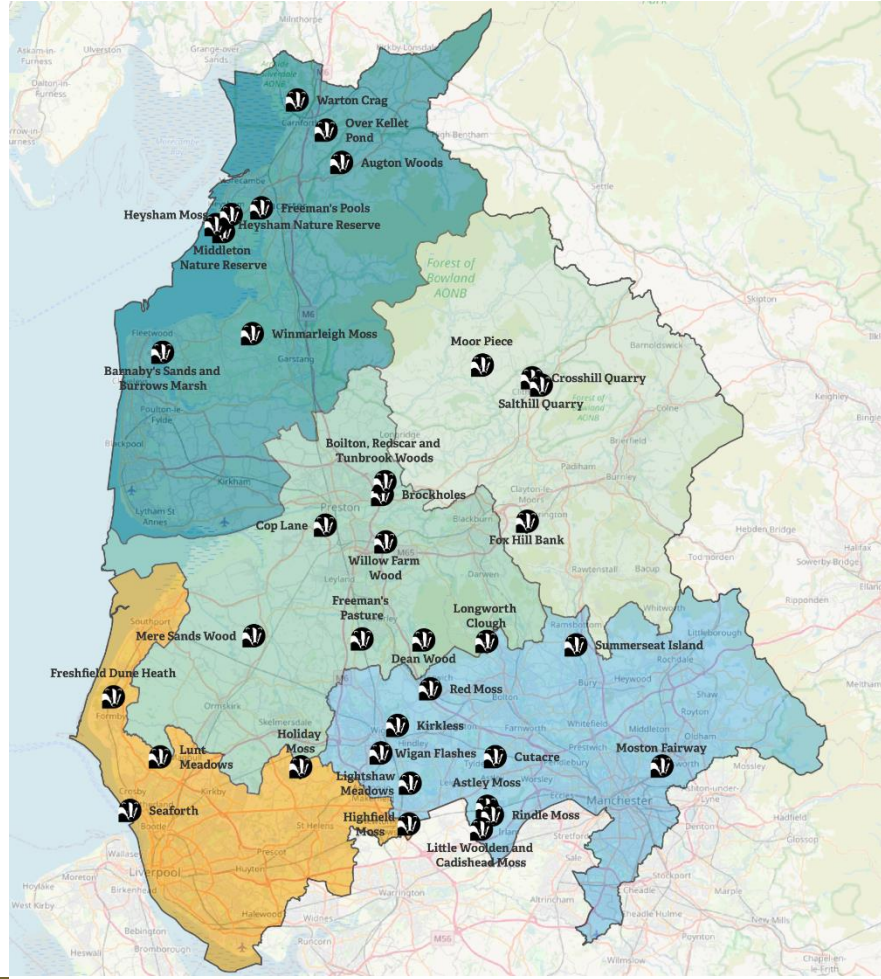

Our Reserves

We have saved many special places, acquiring and managing many of them as nature reserves—we look after 50 sites (including 42 of our own nature reserves), and a total of around 1,300 hectares of habitat, creating a network where people and wildlife can thrive, on your doorstep.

We believe that limited mobility shouldn't mean missing out on wildlife. Many of our reserves have accessible paths and boardwalks, disabled facilities and accessible bird hides, so you can fully immerse yourself in the great outdoors and discover the wonderful wildlife that lives on your doorstep.

We also have 6 offices based across Greater Manchester, North Merseyside, West Lancashire, East Lancashire and North Lancashire. Our Head Office is based on the outskirts of Preston.

Our Wildlife

Our Impact

Our education team and project officers engage **more than 20,000 children** in wildlife-related activities

On average **every 10 miles** you travel in the region means you will pass a Wildlife Trust project

More than **28,000 members** support the Wildlife Trust in the region and 800,000 across the UK

More than **5,000 people** a year take part in walks and other events on our reserves

We have over **1,200 dedicated volunteers** supporting us on a regular basis, with their time, skills and experience - adding to the 750,000 volunteering across the UK

Our reserves cover more than **1,300 hectares** across the region

We own or manage **42 nature reserves** in the region

Our Work

The Trust works across Lancashire, Manchester and North Merseyside to create a strong network where nature can thrive and people can benefit.

Our **core conservation** work includes land management, advocacy for the natural world with key decision-makers, species re-introduction, protecting threatened species, restoring threatened peatlands and collecting essential scientific data. We do this on land and at sea to secure a brighter future for both wildlife and wild places across our region.

Wildlife has a magical power to connect people from all walks of life and give local communities a sense of ownership. We are dedicated to opening up the natural world to absolutely everyone, improving peoples' health and wellbeing and helping locals forge new connections through a number of fantastic **community projects**. We work all over our area with schools, colleges and community groups, running inspiring sessions covering everything from Forest School and orienteering to Wild Family and Nature Tots sessions. We also work in schools, delivering **environmental education** and helping improve school grounds. Our education team are leaders within the Wildlife Trust movement.

We are also leaders in delivering natural wellbeing. We believe that wildlife and nature have the power to instil confidence, heal the mind and help people meet their potential, which is why we champion a number of **ecotherapy-based projects** for both children and adults and the positive impacts to date have been phenomenal.

Strategic Plan

We will continue to work across Lancashire, Manchester and North Merseyside to deliver positive benefits for both people and wildlife. Our plan builds on the Trusts past successes and recognises how we need to evolve to meet the challenges ahead and remain a relevant, effective organisation.

In all we do to achieve our strategic goals, we strive to:

Champion wildlife rich landscapes

We will use our 50 years of expertise to lead the way for nature conservation locally and work within The Wildlife Trusts movement to make a national impact. We will base our plans on sound knowledge and evidence.

Defend wildlife and wild places

We will stand up for the environment and protect wild spaces, enhancing them for both people and wildlife. We will encourage biodiversity, and work with land owners and other organisations in partnership, to create a network of habitats across our region where people and wildlife can thrive.

Inspire people to take action for their local wildlife

We will inspire people to enjoy and protect the wildlife and wild spaces on their doorstep. We will help people learn how to live more sustainably, and demonstrate the benefits of nature to their health and wellbeing. We will engage people of all ages, from all communities to take action for wildlife and we will foster the environmental leaders of the future.

Base our work on sound **evidence**

We will use evidence from sound science and research to further ecological understanding and demonstrate the needs, benefits and outcomes of nature conservation. We will use this evidence to focus our efforts on the areas most in need of protecting and champion those species that need a helping hand.

Our Future

- OUR WILDLIFE -

We can't make a difference if we do nothing. Now is the time to stand together for nature and take action for our local wildlife.

Our Culture

We are committed to protecting wildlife, restoring biodiversity and connecting people with the natural world in Lancashire, Manchester and North Merseyside. This commitment brings tenacity in dealing with challenges and huge personal satisfaction from successful projects.

We encourage a creative atmosphere where new ideas can flourish. People who thrive in our organisation enjoy a role where they take on a high level of personal responsibility for achieving outstanding results whilst building strong relationships both internally and externally.

We promote a culture where our staff, trustees and volunteers are Wild About Inclusion, where difference is celebrated, everyone can be themselves, feel respected and able to contribute to their full potential.

What does an LWT team member look like?

Integrity

- Acting in the best interest of the Trust and honouring our scientific foundations in all our activities. An honest and respectful approach to the core objectives of the charity, and the wishes of our members and funders.

Team Player

- A friendly, family atmosphere. Everyone is treated with the same level of respect and courtesy. The Chief Executive will often stop for a chat, and full staff meetings provide the chance to get to know others. We are one big team, and our staff are always ready to roll up their sleeves and help where it's most needed, regardless of their job role.

Passion

- Passion is at the very heart of every LWT team member. With a love of wildlife, a passion for helping make a difference, or a will to help and inspire others. From our staff to volunteers and our members, we have passion by the bucket load!

Personal Responsibility

- Our staff are flexible in the way they work and adaptable to change. They provide exceptional customer service, whether it be to a funder, member, volunteer or member of the public. Our staff take responsibility to put things right when there's a problem, and always help other team members. Our staff are committed, honest and take initiative to drive the best interests of the charity.

About the project

Here at Lancashire Wildlife Trust we offer a School Grounds Service, which aims to add a unique, creative and eco-friendly element to school grounds.

We have expertise in both environmental education and landscape contract work, which means we have the capacity to help schools along every step of the way - from initial planning and design to construction and maintenance.

We've worked with hundreds of schools over the years, installing a number of outdoor classroom facilities and focal points, working with schools to build upon their already brilliant vision.

The APO will be working as part of the much larger Education team here at Brockholes Nature Reserve. Brockholes is the hub for many of the activities and projects at the Lancashire Wildlife Trust and provides an opportunity to work within a vibrant and exciting workplace. Brockholes is an urban nature reserve on the edge of Preston and attracts a huge range of birds like Bitterns, Ospreys and Buzzards as well as providing a home for hundreds of species of wildflowers, invertebrates and mammals.

Criteria Common to All Job Descriptions:

A Job Description sets out the purpose of the job, where it fits into the Trust's structure, the context within which the job holder functions and the principal accountabilities of job holders, or the main tasks they have to carry out. It is not a definitive work plan. This document is intended to provide guidance on the scope and function of the job.

Equal Opportunities Statement:

All employees are required to adhere to and promote the principles and operation of the Trust's policies on equalities, to ensure that services provided are relevant to ethnically diverse communities and other disadvantaged groups in the area.

Safety, Health and Environment Statement:

All employees are required to ensure that all duties and responsibilities are discharged in accordance with the Trust's Safety, Health and Environment (SHE) at Work Policy and associated SHE policies and guidelines. They should take reasonable care for their own Health and Safety and that of others who may be affected by what they do or do not do. Staff should correctly use work items provided by the Trust including personal protective equipment in accordance with training or insurance. All members of Trust staff are responsible for informing their line managers of any potential gaps in the current Trust Policy. All employees are responsible for ensuring that the SHE Policy is up to date and continuously reviewed and evaluated.

Performance Review:

All employees will participate in the Trust's Performance Review process. The process aims to ensure that performance standards/targets are jointly agreed between employees and line managers and are achieved within agreed time scales. Failure to maintain an appropriate standard indicated by management can result in Capability proceedings being taken.

Commensurate Statement:

At times, the Post holder will be required to undertake other duties and responsibilities of a similar level and nature in order to support workload peaks and resources and skill shortages, ensuring priorities are met. This will be sensitive to available resources and individual skills and will generally be within the same area.

Adherence to Staff Handbook, Policies and Procedures:

The Trust is a large, diverse charitable organisation and as such needs to ensure that all employees are aware of their obligations to and from the organisation. These are clearly defined in the Staff handbook, the Intranet and in the policies and procedures adopted by Council as part of the Trust's governance. All Employees have an obligation to read and understand these policies, especially those that are pertinent to this role.
