Education Visits

Brockholes Nature Reserve

Brockholes is a beautiful 250-acre nature reserve, running alongside the bank of the River Ribble. Based on the site of an old quarry, the area has been transformed into a variety of habitats, including woodlands, lakes and meadows. The reserve offers the perfect place for outdoor learning to inspire young minds and to grow a love for the natural world.

**'Lovely, clear, well
thought out
workshops that were
engaging. A well
organised, enriching
experience'**

REGULATOR**

The Lancashire Wildlife Trust is a Registered Charity (No. 229325)
and a Registered Company Limited by Guarantee (00731548)

Our highly skilled and experienced team of environmental education specialists pride themselves upon providing exciting and innovative programmes that really inspire children about the natural world.

We offer a wide range of fully risk-assessed educational programmes that cater to all ages. All of our programmes suit and complement the goals of the National Curriculum and Early Years Foundation Stage Framework.

Our workshops include:

**Habitats
Pond Dipping
Minibeasts**

**Maps
Orienteering**

**Plants
Rivers
Water Cycle
Nature sustainability**

**Shelter Building
Fire Lighting
Stone Age**

**Sensory Woodland Adventure
Environmental Art
Seasons
Storybook Themed Adventures**

The Education team also run school visits at other LWT sites (Mere Sands Wood, Bolton ERC, The Hive & Lunt Meadows) as well as outreach sessions, Forest School programmes, Forest School training and outdoor learning CPD training for schools/ groups.
